The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

CONTRACT EXTENSION FOR PRODUCTION OF TELEVISED BOARD MEETINGS AND RELATED SERVICES (ALL SUPERVISORIAL DISTRICTS AFFECTED) (3 VOTES)

SUBJECT

Approval of these recommendations will provide consent to extend the term of existing Agreement for production services for the Board meetings, with simultaneous closed captioning and Spanish translation, on-screen graphics, and electronic transcripts.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Mayor to sign the attached amendment to Agreement Number 68014 with contractor, Network Television Time, Inc. (NTT), to extend the term of the Agreement for two years through November 30, 2013, with an option for the County to further extend the term of the Agreement, for one additional year, through November 30, 2014, at the current rates, to provide the County with production services for the televised hearings and meetings of the Board.
2. Direct the Chief Executive Officer to allocate sufficient funds in the County's annual budget from the Cable TV Franchise Fund for payments authorized under the amendment over its term.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended amendment requires the contractor to provide the same general services that are being provided under the current Agreement. The contractor will continue to produce broadcasts of the Board meetings, with simultaneous closed captioning and Spanish translation, on-screen graphics, and electronic transcripts. This Agreement extension will enable the Chief Executive Office (CEO) to evaluate available technologies that may be integrated and aligned with the implementation of the County Channel. It will also allow the CEO to review and evaluate the complement of services required by the County.

Implementation of Strategic Plan Goals

The recommended action is consistent with the County's Strategic Plan Goals of Service Excellence and Organizational Effectiveness. The amendment will provide the public and the County's employees with easy access to Board meetings and transcripts. Services provided by the contractor save County employees time and effort, particularly in the creation of minutes of the Board's meetings.

FISCAL IMPACT/FINANCING

The proposed amendment will be for a two-year term with an option to further extend the term for an additional year at the same rates delineated in the current Agreement. The cost of the proposed amendment will be financed by the Cable TV Franchise Fund. Revenues generated from cable franchise fees will be sufficient to fund the proposed amendment without any General Fund financing.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On November 3, 2009, your Board granted a two-year extension to the contract. The proposed amendment further extends the Agreement for a term of two years and an option for an additional year. NTT has agreed to this extension to provide continued production services for televising meetings and related services. This extension will allow the County the opportunity to evaluate the changing technology in live broadcast of public meetings and analyze its current and future needs, particularly as it relates to the operation of the County Channel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

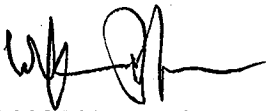

The proposed amendment will continue to enhance the County's efforts to open its Board meetings to members of the public so that they might be better able to understand and participate in their government.

CONCLUSION

The original copy of the amendment, which has been approved as to form by County Counsel, is presented for execution by this office. One fully executed copy should remain in the Board's files and two copies should be returned to the CEO Cable and Telecommunications Office, who will forward one copy to the contractor.

Respectfully submitted,
